#### NEW BUSINESS

- I. Mulch – What to do? Put an article in the Crier?  
What do a saucer and ice cream cone have in common?  
The saucer is what mulch around a tree should look like  
And an ice cream cone is what mulch piled up around trees  
Shouldn't look like, but often does. Mulch should be kept  
Away from the flare of the roots.
- II. Video – CD of Celia Thaxter's Island Garden (lending library)
